Mission Statement

The mission of the Department of Music of Union University is to offer studies in music for all students and to enrich the cultural environment of the University and community. This mission is in keeping with a traditional liberal arts education.

Admission Requirements for Majors

An audition is required for admission to the Department as a major in any of the programs and in consideration for music scholarship funds. Criteria for admission include (1) demonstrated potential in a performance area, (2) basic musicianship, including sightreading skills, and (3) a clear sense of purpose as reflected in an interview as part of the audition process. Examinations in the areas of basic theory will be administered for placement into the correct theory courses. Functional keyboard examinations will be given to non-keyboard majors for keyboard placement.

Students who wish to pursue the performance program will petition the applied faculty at the board examination at the conclusion of the second semester of study. The applied faculty will assess the student's achievement and potential and will admit the student to the performance major or recommend that the student choose another major within the department.

Transfer students with 8 or more hours in principal applied studies will register for MUS 250 during their first semester at Union. At the end of the semester, the student will perform a sophomore board examination to determine application of this course and future applied studies.
