Church Scholarship, African American Scholarship, Minority Scholarship, and Church and Convention Ministry Scholarship must submit separate applications. Applicants for on-campus employment must complete a separate online application for employment.

2. Students wishing to reapply for federal and state funds must file the FAFSA or Renewal FAFSA each year. It is the student's responsibility to complete all applications by the deadline.
3. All students are required to notify Student Financial Planning of any other scholarships or loans extended to them from sources outside the university.
4. The returning student's financial need will be reevaluated each year and appropriate increase or decrease in the amount of assistance offered will be made.

1. Applicants will be notified of their award package by an Award Letter. The Award Acceptance Form should be signed and returned to Student Financial Planning within the time specified on the Acceptance Form.
2. Federal Stafford Loans are awarded each academic year from a serial Master Promissory Note. Notification of the amount is made to the student by an Award Letter. Students must return the Award Acceptance Form to begin the loan certification process, being sure to make any desired changes to the amount(s).
3. Federal Stafford Loan and PLUS amounts shown on the Award Letter reflect the gross amount of the loan. The net amount of the disbursements may be less, due to fees deducted by the lender.
4. Most awards are divided evenly between fall and spring semesters. The Award Letter indicates how each award will be divided.
5. Most scholarships from outside sources will show on the Award Letter simply as "Outside Scholarship." Any tuition reimbursement will be indicated on the Award Letter as "Tuition Reimbursement."
6. Award for Workship/Work Study is the amount a student may expect to earn during the academic year contingent upon actual placement in a job assignment and actual hours worked. Students must report to Student Financial Planning upon arrival on campus for job assignment and clearance.

1. Disbursement of awards for a semester (excluding Federal Work Study and Institutional Workship) is made by crediting the student's account.
2. Students on Federal Work Study receive a monthly paycheck for hours worked. Students on Institutional Workship have the amount earned each month credited to their student account if there is a balance owed. If the amount earned exceeds any balance owed on the account, the student will receive a paycheck for the amount earned which exceeds the amount owed. If there is no balance owed, the student will receive a paycheck for total amount earned.
3. Federal Perkins Loan funds cannot be disbursed until the recipient has signed a Perkins Loan Promissory Note and completed Perkins Loan Entrance Counseling as required

by federal regulation. Regulations also require a student to complete Stafford Loan Entrance Counseling before Federal Stafford Loan funds can be disbursed. TEACH

1. A student who withdraws from all classes before the 60% point of the semester, calculated by calendar days, may have a portion of federal funds (Federal Pell Grant, TEACH Grant, Federal SEOG, Federal ACG, Federal SMART Grant, Federal Perkins Loan, Federal Stafford Loan, Federal PLUS Loan but not Federal Work Study) returned to the source as required by federal regulations. This calculation may result in the student owing a balance to Union University and to the U.S. Department of Education.
  2. A student who withdraws from all classes before the last day to receive a refund of tuition charges will have their institutional aid prorated according to the same schedule used to refund tuition.
  3. State awards will remain the same according to enrollment status established on the census date.
  4. Scholarships received from outside sources will remain the same according to enrollment status established on the census date, unless specified by the donor to be returned in full or in part.

For financial aid purposes, repeated courses affect academic progress as indicated:

1. GPA - Only the most recent grade applies to the student's cumulative GPA.
2. Completion Rate and Maximum Time Frame - Only credit hours earned for the retake will be counted.

Dropping classes or withdrawal from all classes prior to last day to drop affects a student's completion rate (counts as credit hours attempted but 0 credits earned) and Maximum Time Frame (counts as credit hours attempted).

Transfer credit hours apply only toward the overall Maximum Time calculation. Transfer hours have no effect upon the cumulative GPA or Completion Rate.

A student readmitted to Union University whose prior academic record does not meet the standards for satisfactory progress will be eligible to receive financial aid for a conditional period of one semester. If, at the end of the
