3. Students dropping or adding a class after the census date, but during the period of tuition refunds established by the Office of Business and Financial Services, will have their institutional aid adjusted according to actual enrollment status.

Withdrawal from all classes

1. A student who withdraws from all classes before the 60% point of the semester, calculated by calendar days, may have a portion of federal funds (Federal Pell Grant, TEACH Grant, Federal SEOG, Federal ACG, Federal SMART Grant, Federal Perkins Loan, Federal Stafford Loan, Federal PLUS Loan but not Federal Work Study) returned to the source as required by federal regulations. This calculation may result in the student owing a balance to Union University and to the U.S. Department of Education.
2. A student who withdraws from all classes before the last day to receive a refund of tuition charges will have their institutional aid prorated according to the same schedule used to refund tuition.
3. State awards will remain the same according to enrollment status established on the census date.
4. Scholarships received from outside sources will remain the same according to enrollment status established on the census date, unless specified by the donor to be returned in full or in part.

Requirements/Provisions

1. The following scholarships require a student to maintain a minimum cumulative GPA to retain the scholarship. Exact GPA requirements are specified on the Award Letter. Scholars of Excellence Scholarships (Presidential,

Incomplete Grades

Satisfactory Progress will not be calculated for a student with a grade of Incomplete or In Progress. Therefore awards based on cumulative GPA will not be awarded until a final grade is received and the calculation is made.

Repeated Courses

For financial aid purposes, repeated courses affect academic progress as indicated:

1. GPA - Only the most recent grade applies to the student's cumulative GPA.
2. Completion Rate and Maximum Time Frame - Only credit hours earned for the retake will be counted.

Drop and Withdrawal from Classes

Dropping classes or withdrawal from all classes prior to last day to drop affects a student's completion rate (counts as credit hours attempted but 0 credits earned) and Maximum Time Frame (counts as credit hours attempted).

Transfer Hours

Transfer credit hours apply only toward the overall Maximum Time calculation. Transfer hours have no effect upon the cumulative GPA or Completion Rate.

Students Readmitted to Union

A student readmitted to Union University whose prior academic record does not meet the standards for satisfactory progress will be eligible to receive financial aid for a conditional period of one semester. If, at the end of the conditional period, the student fails to regain satisfactory academic progress, they will not receive aid for subsequent semesters unless they follow the appeal process and are approved, or until such time as they do regain satisfactory academic progress.

Evaluation of Progress

1. Standards used to measure progress must include all semesters/terms of the student's enrollment. Satisfactory progress will be evaluated at the end of each Fall/Spring/Summer Semester.
2. A student who does not meet standards at the end of a semester who enrolls in the following term will not be eligible to receive financial aid for that term. However, credit hours attempted and grades earned during the term could restore the student to satisfactory progress for the following semester. A student who wishes his progress to
