School of Education Mission Statement

The School of Education is committed to preparing educators who are committed to the learning and growth of all students. We are dedicated to providing a high-quality, research-based education that prepares our graduates to be effective, ethical, and reflective practitioners in a diverse and ever-changing educational environment. Our mission is to provide a comprehensive and integrated education that prepares our graduates to be leaders in their field.

Graduate Opportunities in Education

The School of Education offers a variety of graduate programs in education. These programs are designed to provide students with the knowledge and skills necessary to advance their careers in education. The programs are offered in both traditional and non-traditional formats to accommodate the needs of our students.
