The College of Arts and Sciences offers five undergraduate degrees in some thirty-two programs of study. Featuring fourteen departments, the College supports the university's core curriculum and provides specialized study in the humanities, the sciences, and the visual and performing arts.

Dedicated to carrying forth the liberal arts tradition of Union University, the College of Arts and Sciences routinely sponsors events which highlight the rewards of a liberal-studies curriculum. From book signings and lectures to exhibits, performances, and colloquia, the College thrives on opportunities to celebrate its status as the heart of Union University.

Mission

The College of Arts and Sciences provides an excellent liberal arts education that
