Admission of Freshmen

An applicant for the freshman class must be a graduate of an accredited high school with at least 20 units in Core Subjects. Core Subjects must include these minimum units: English, 4; Mathematics, 3; Social Sciences, 3; Natural Sciences, 3; Foreign Languages/Fine Arts, 2; with the balance being completed in approved electives. A state high school equivalency diploma will be accepted in lieu of a high school diploma. 1. 22 ACT/1020 SAT (combined critical reading and math scores)
2. 2.5 Core GPA
3. Top 50% of Graduating Class

Students who qualify for Unconditional Admission must have a minimum of 18 ACT/860 SAT (combined critical reading and math scores) and a 2.0 Core GPA regardless of whether or not either of these criteria were utilized to qualify for admission. These two criteria serve as a "floor" for Unconditional Admission.

Core GPA is a GPA computed by Union University based on a student's performance in a preselected track of high school college preparatory coursework. This required set of courses is as follows: four units of English, three units of math, three units of social science, three units of natural science, two units of either foreign language or fine arts (may choose one of each).

This core GPA will be computed with the official grading scale utilized by the high school where the course credit was awarded.

Admission of International Students

Credit will be accepted from other regionally accredited colleges if it parallels courses offered by Union. The minimum grade for credit acceptance is "C." No more than 72 semester hours will be accepted from non-baccalaureate granting colleges toward a bachelor's degree at Union University. Grades from other institutions do not transfer and therefore will not be recorded.

Union University will accept students from a Bible college accredited by The Association for Biblical Higher Education.

1. All regular policies pertaining to the admission of transfer students must be fulfilled.
2. The student must maintain an average of "C" on all work taken during the first semester at Union University in order for the credit from the Bible college to be accepted.

Admission of Students Who Already Have A Bachelor's Degree

Any student having graduated from an accredited undergraduate institution may be admitted to Union University by the following process:

1. An admissions application and (non-refundable) application fee, and
2. Submit official transcripts from all institutions attended.

Students having received a baccalaureate degree are required to submit a student transfer form only if special circumstances arise to show a necessity. A room deposit is required if the student desires campus housing. Additional transcripts may be required if necessary for academic advising.

Admission of Former Union University Students

Any student once admitted to Union University and then missing one or more semesters (Fall or Spring) must be readmitted by the following process:

1. Complete a new application (fee is not required),
2. Clear all previous academic, social, and financial obligations,
3. Submit official transcripts from all institutions attended since leaving, and
4. Submit a student transfer form from the last institution attended only if special circumstances arise that show necessity.

A student who voluntarily withdraws and seeks to re-enroll for a later semester/term will be required to be readmitted if the student enrolls at another institution during the absence from Union, regardless of the length of the absence. Voluntary withdrawal does not guarantee permission to readmit to the University nor does it automatically exclude the student from future enrollment.

A former Union University student having less than a 2.0 cumulative GPA from Union University or less than a 2.0 cumulative GPA from all institutions attended will be considered for readmission by the Undergraduate Admission/Readmissions Committee. The student may be denied admission, readmitted with conditions, or readmitted under their prior academic standing at Union University.

From another accredited institution of higher learning in the United States, students will be required to meet the same requirements for admission as all other transfer students.

An I-20 form may be issued only after admission requirements and the above monetary requirements have been satisfied.

As a condition of their admission, each international student will be required to enroll as a full-time student in course work tailored for their unique orientation needs to include; but not be limited to; ENG 111, ENG 112, and ICS 105. International students will be advised by an

international student advisor, as well as by an assigned faculty advisor in their major department, during their first year. Both the international student advisor and the departmental advisor must be consulted in registration decisions.
