# MCAFEE SCHOOL OF BUSINESS ADMINISTRATION

Available on the Jackson and  
Germano in Cambridge

## Transfer of Credit

Transfer of credit is a process that allows students to receive credit for courses completed at other institutions. This process is subject to review and approval by the university's transfer credit committee. Students should consult with their academic advisor to understand the requirements and procedures for transferring credit.

## Graduation Requirements

Graduation requirements vary by program and include a minimum number of credits, a minimum GPA, and the completion of specific courses. Students should consult the university's catalog and their academic advisor for detailed information on graduation requirements.

Students should be aware of the deadlines for applying for graduation and the importance of meeting all requirements. The university provides resources to help students track their progress and ensure they are on track for graduation.

## The Coho Approach and Calendar

The Coho Approach is a unique educational model that emphasizes experiential learning and real-world application. The calendar is designed to accommodate this approach, with a focus on practical skills and industry connections.

## Financial Information

Financial information is essential for students to understand the costs of education and the available financial aid options. The university provides a variety of resources to help students manage their finances, including scholarships, grants, and student loans.

[www.uu.edu/financial/info](http://www.uu.edu/financial/info)

Financial aid is available to eligible students, and the university's financial aid office provides guidance on the application process and the types of aid available.

## Financial Assistance

Financial assistance programs are designed to support students who are facing financial challenges. These programs may include emergency grants, food pantries, and other forms of support to help students stay focused on their education.
