Chapel and Lecture Series

The University holds chapel services twice weekly. Through these times, students, faculty and staff worship collectively and receive spiritual encouragement, moral guidance, and intellectual challenge. The worship of God and the integration of faith and learning and living are encouraged through events such as Faith and Practice Week, Global Opportunities Week, and the Crabtree Lectures on Marriage and Family.

Expectations Vs. Regulations

Union University students are expected at all times to represent the University and the Christian community appropriately. The general policy of conduct at Union University is that students conduct themselves as persons of faith who strive to exemplify the character of Jesus Christ throughout their daily lives. Regulations regarding these expectations, student life as a whole and more particularly residence student life are found in detail in the Campus Life Handbook.

The President, the EVPAA, the Provost, and the Dean of Students of the University are charged with the administration of discipline through the judicial system. They are empowered to rule in any irregularity pertaining to student life and impose redemptive discipline for community values violations as expressed in the Campus Life Handbook. The judicial system and the grievance and appeal system are described in detail in that same publication.

Residence Life

The mission of Residence Life at Union University is to provide a holistic living and learning environment where academic scholarship is developed, distinctive relationships are formed, servant leadership is practiced, community values are upheld, and biblical restoration is provided. To this end, all students are required to live in Union's residence halls for the full academic year unless the student meets the requirements outlined in the Campus Life Handbook. An exception is granted by the Off-Campus Appeals Committee. For information on Residence Life community values, philosophy, costs, family housing, and general procedures, please refer to the Campus Life Handbook located on Union University's website at

Our key goal, therefore, is to teach students holistically through a model that emphasizes vocation as ministry. "Our mission is to help students understand more clearly who God has uniquely created them to be and to assist them in discovering opportunities to live out their life calling in service to others."

Students are encouraged to start early utilizing the Vocatio Center for Life Calling and Career. Many are blessed to know exactly what God has called them to do; we can help better prepare you for that calling. However, if you are uncertain about your calling, we can offer you strategic direction through gifts assessment, career counseling, and life coaching which will help you understand who God truly has made you to be.
