Once a student has begun attendance in a semester, if he/she then drops a class or withdraws from the semester after the last day to drop without academic record for the enrollment period, those credit hours will be counted as credit hours attempted in calculating Pace of Completion and Maximum Time Frame.

A student who withdraws from a semester and returns the following semester must meet the SAP requirements in order to be eligible for federal aid.

Transfer

Transfer hours accepted by Union are counted as both hours attempted and hours completed for calculating Pace of Completion, and are counted toward the student's overall Maximum Time Frame. Transfer credits do not affect a student's GPA.

New transfer students will be eligible for federal aid their first semester at Union unless they have already exceeded their Maximum Time Frame. Students may follow the process for appeal of Maximum Time Frame if they changed majors upon enrolling at Union.

Transfer students who previously were enrolled at Union will have their eligibility determined by evaluating past credits/grades earned at Union combined with transfer credits accepted.

Readmission

A student who is readmitted to Union whose prior academic record does not meet the standards for satisfactory progress is considered to be on Financial Aid Suspension and will not be eligible to receive financial aid. The student may follow the appeal process and if successful will be put on Financial Aid Probation and be eligible to receive aid for at least one semester.

Notification

Students who fail to make satisfactory progress at the end of a semester will be notified by the Office of Student Financial Planning within ten business days following the deadline for grades to be posted.
