## Mission Statement

The College of Arts and Sciences is committed to providing a high-quality liberal arts education that prepares students for a variety of careers and graduate study. We emphasize critical thinking, communication skills, and a broad understanding of the human and natural worlds.

## Goals

- 1. To provide a rigorous liberal arts education that prepares students for a variety of careers and graduate study.
- 2. To emphasize critical thinking, communication skills, and a broad understanding of the human and natural worlds.
- 3. To provide a supportive learning environment that fosters intellectual growth and personal development.
- 4. To offer a variety of majors and minors that allow students to explore their interests and passions.
- 5. To provide excellent academic advising and support services to help students succeed in their studies.
