(PEAP) is a program for students who have earned a
Pharm.D. degree and wish to enter the workforce.

Benefits

- PEAP

- A. 1. A student who receives two or more grades of "F" in a course.
1. A student who receives two or more grades of "F" in a course.
 - 2.33.
 2. A student who receives two or more grades of "F" in a course.
 3. A student who receives two or more grades of "F" in a course.

detailed under "The Appeal Process" in the *Campus Life Handbook*.

Remediation

Didactic

For students who meet defined criteria, The ASPR (American Society of Pharmacy Review) provides remediation options: IPPE, APPE, and the didactic or experiential component of the curriculum.

Process for Remediation

A P (Appeal Process) meeting will allow the student to explain and clarify the reasons for the grade. The meeting will be held with the instructor and the ASPR representative.

This meeting will allow the student to explain and clarify the reasons for the grade. The meeting will be held with the instructor and the ASPR representative.

of Pharmacy Supplement to the Campus Life Handbook.

Qualifications for Remediation

1. A student who receives a grade of "F" in a course with a score of $>59.5\%$.
2. A student who receives a grade of "F" in a course with a score of $>59.5\%$.

2. A student who receives a grade of "F" in a course with a score of >2.00 .
 3. A student who receives a grade of "F" in a course with a score of >2.33 .
 4. A student who receives a grade of "F" in a course with a score of >2.33 .
1. A student who receives a grade of "F" in a course with a score of >2.00 .
1. A student who receives a grade of "F" in a course with a score of >2.00 .
 2. A student who receives a grade of "F" in a course with a score of >2.33 .
- Single comprehensive examination in which the student receives a score of $\geq 69.5\%$. (A score of $<69.5\%$ will result in a grade of "F".)
 - Other course instructor-designed assessments

Course Requirements of the Doctor of Pharmacy—151 hours

- I. Year One Courses BIO/PHRM 505, 507, and 510; PHRM 700, 705, 710, 716, 718, 723, 726, 728, 729, 730, 731, 739, 752, 755, 763.
- II. Year Two Courses BIO/PHRM 514; PHRM 704, 733, 734, 736, 738, 740, 741, 743, 744, 746, 750, 751, 764, 767, 773.
- III. Year Three Fall Courses PHRM 760, 761, 765, 766, 768.

Course Descriptions: Biology (BIO)

505. Applied Anatomy & Physiology I (3)

Prerequisites: PH M 505

An intensive examination of the human body that addresses the normal complex physiological processes of the cell, fluids, vascular hemodynamics, mobilization of fluids through the lymphatic system, and the normal complex physiological processes of the respiratory system. This course is designed to evaluate co-existing conditions of the surgical patient.

507. Applied Anatomy & Physiology II (3)

Prerequisites: BIO 221 & 222

A continuation of 505 focusing on the normal complex

510. Advanced Human Gross Anatomy (3)

Prerequisites: BIO 505 & 507, > BIO 221 & 222.

Prerequisites: PH M 510

This course is designed to provide a comprehensive understanding of the human body's structure and function. It covers the gross anatomy of the human body, including the skeletal, muscular, and organ systems. The course is designed to provide a comprehensive understanding of the human body's structure and function. It covers the gross anatomy of the human body, including the skeletal, muscular, and organ systems.

514. Immune Response to Infectious Disease (3) F

Prerequisites: PH M 514

707. Pain Management (2)

All of the following are true regarding pain management in the elderly, except:

- The elderly are more likely to have chronic pain.
- The elderly are more likely to have pain that is not recognized by the healthcare provider.
- The elderly are more likely to have pain that is not treated.
- The elderly are more likely to have pain that is not reported.

708. Self-Care/Counseling (2)

All of the following are true regarding self-care/counseling in the elderly, except:

743. Moral Reasoning in Healthcare (2)

PH M 743

reflection and conversation about them. Special consideration
C

744. Pharmacy Jurisprudence (2)

A
