

P

- A is awarded for performance that is definitely superior
- B is for consistently good work that is above average.
- C is for satisfactory performance.
- D is for minimal passing.
- F indicates failure.

Both Progress Reports and Final Grades are reported by the Registrar's Office. The Registrar's Office will report the following grades: A, B, C, and D are passing grades; F is failure; N is audit. The Registrar's Office will also report the following grades:

The following are the grades with their corresponding quality credits:

Quality Credits
Quality Credits are awarded for the following grades:
A = 4 quality credits
B = 3 quality credits
C = 2 quality credits
D = 1 quality credit
F = 0 quality credits
N = 0 quality credits
W = 0 quality credits
The Good Academic Standing is defined as the minimum cumulative GPA of 2.0. Students are allowed to repeat courses to improve the grade in the cumulative GPA. Repeat courses are not included in the cumulative GPA. Transfer credits and credit-by-testing do not apply to the cumulative GPA. A W awarded for all courses in a term denotes withdrawal from school for the semester. See "Withdrawal from School"

-
To be classified as a full-time student during a semester, a student must be enrolled in at least 12 credit hours.

A

Academic counseling is administered through several avenues. Each student is assigned a Faculty Advisor in accordance with their intended major/vocational goal. Students undecided about their major are assigned temporarily to the Office of Academic Services. GPA counseling can be sought from the Office of Academic Services and through the Academic Center. The junior/senior student is required to have at least one counseling appointment with a degree

hours have not been met by the completion of the above

Students may graduate under the course requirements specified in the Catalogue of the year of their admission or those at the time of their application for graduation. If five years have elapsed since a student's latest enrollment in Union University, he/she may graduate either under the course requirements of the Catalogue of his/her re-admission or those in force at the time of his/her application for graduation. Teacher Licensure requirements may alter graduation requirements as stated in the Catalogue for students seeking licensure.

Each bachelor's degree awarded by Union University must contain the following components unless specifically exempted by the student's choice of academic program:

General Core Curriculum	46 hours
Specific Core Curriculum	18-36
Major Academic Program, minimum	30.
Minor Academic Program, minimum	18

The completion of 128 hours usually requires four years of 32 hours per year. Of these, the freshman and sophomore years are usually spent in core curriculum. In the event 128

MAT 314, Differential Equations	3 hours
MAT 208 or 315, Statistics or Linear Algebra	3 hours
PHY 231-32, General Physics I and II	10 hours

A

() All candidates for graduation must be approved by the faculty. All conditions—transfer credit, incomplete grades, ACE-approved Seminary Extension, correspondence (8 hours maximum) or credit by examination may be accepted. Students may not enroll for SE or correspondence credit without approval in writing by the Registrar prior to registration for the course and the department chair or dean.

Credit-by-exam attempts can be made no later than the official report may be received during the student's next to last full semester (Fall, Spring) preceding graduation, or if in the Teacher Education Program the next to last semester preceding Student Teaching. May and Summer graduation applicants must complete all testing attempts before the end of the previous Fall Semester. December and January applicants for graduation must complete all testing attempts before the end of the previous Spring Semester.

Comprehensive final examinations are required of all students in all courses where content is appropriate. The final examination time is listed with the University calendar. A student with three or more finals on one day may request one of his/her professors to reschedule one examination, to another time during finals week, provided the request precedes the last week of class. If the student and the professor cannot resolve the scheduling problem, the student should take his/her request to the Registrar.

Any variance must be approved in advance by the Registrar in writing.

P

A student re-entering the University after a lapse of ten years since the last academic credit was earned must have a conference prior to enrollment with the Registrar. A program of study will be formulated for the applicant to complete the degree.

A

Application for graduation should be filed in WebAdvisor during the Fall semester prior to Spring/Summer graduation, or Spring semester prior to Fall/Winter graduation. Graduation applicants not completing all requirements by the last day of final exams of the graduation semester or term will be moved to the next appropriate graduation date.

Before any student can file an application for graduation, the student must have had an appointment with a Degree Auditor or the Director of Teacher Education for a Graduation Audit. The Graduation Audit should begin during the junior year. In the event a student has not filed a Graduation Audit by the time he/she has filed an application for graduation, he/she will be given until December 1 for Spring/Summer graduation and until May 1 for Fall/Winter graduation. If the student has not filed a Graduation Audit by that date, his/her name will be removed from the graduation list, and the student notified.

Pre-professional programs providing the background to apply for entrance into the health professions programs listed below are available through Union University.

- Chiropractry
- Cytotechnology
- Dental Hygiene
- Dentistry
- Health Information Management
- Medicine
- Occupational Therapy
- Optometry
- Pharmacy
- Physical Therapy
- Physician Assistant
- Podiatry
- Veterinary Medicine

Information regarding the specific requirements for each may be obtained from the Health Professions Advisory Committee (HPAC). Requirements for The University of Tennessee professional programs are available as well as for other professional schools.
