Mission Statement

year. During Internship I in the fall semester, the student will be in the classroom two or three days a week while taking professional education coursework on campus the other days. This schedule will allow the student to move seamlessly from theory into practice. During Internship II, which begins when the placement school starts in January and continues through the spring semester, the student will be in the same classroom all day, every day. The student will take Problems-based Seminar during Internship II during which discussions will focus on current issues in today's classrooms. Several out-of-classroom days occur during the internship to allow the student to experience a variety of school settings and grade levels.
