Policies and Procedures for Tennessee Student Assistance Corporation (TSAC) Administered Awards

In general, financial aid available to students through the state of Tennessee will be awarded and certified by the Office of Student Financial Planning. Awarding of state grants and scholarships assumes the standard for undergraduate full-time enrollment (12 credit hours per semester). In accordance with the Financial Aid Census Date, state awards will remain the same according to enrollment status established on the census date. Awards are adjusted after the census date if needed and are posted to student accounts prior to reporting. Institutional funds cover the disbursement until the payment is received from TSAC. After this date, any additional awards are transmitted weekly. The Business Office disburses any credit balance due to students caused by TELS by direct deposit.

Endowed Scholarships

Union University administers numerous privately endowed scholarship funds. Many are designated for students preparing for specific vocations. A full listing of privately endowed scholarships, church endowed scholarships and non-endowed scholarships is available on the Financial Aid web page. All are awarded based on student eligibility and availability of funds. In the case of church endowed funds, students whose names are submitted by their church are awarded those funds. No additional application is required. Recipients will be notified if awarded endowed scholarships. Generally speaking, endowed scholarships administered by Union University may be used in full or in part to fund institutional scholarships and/or grants and may be substituted for these awards on the student account. .
