### The MAcc Academic Program

The Master of Accountancy (MAcc) degree provides advanced study in accounting for individuals interested in careers in the accounting field.

### Program Emphasis

There are ten courses in the Union MAcc curriculum. These courses are 3 semester hours of graduate credit each. Six of these courses are accounting courses. The remaining four courses are MBA courses. The accounting courses are scheduled during the day according to the traditional schedule. The MBA courses can be completed at night or online. The entire 30-semester hour MAcc program can be completed in one year.

The strength of the Union MAcc program is the qualified faculty that serve our student body. Union's business faculty combine practical work experience with strong academic backgrounds. This dual emphasis on practicum and education provides a rich and relevant classroom experience for our MAcc students. Faculty pursue innovative teaching concepts while continuing to make personal and business decisions based on values
