

and a thorough debriefing process upon return, the Study Abroad program ensures that students have a safe, academically rigorous, and interculturally relevant experience. For a thorough explanation of Study Abroad Programming at Union University, please contact the Study Abroad Coordinator or visit the Center for Intercultural Engagement's website.

Union's Study Abroad program includes direct (concurrent) enrollment, independent institutes or providers, institutional agreements, and third party providers. Furthermore, the Study Abroad program uses a rigorous set of criteria for identifying and cultivating relationships with high-quality, ethically-grounded programs around the world that provide optimal experiences for students. This ensures that we support domestic and international programs that have high academic standards, provide opportunities for students to engage with people from the host institution and the surrounding community, offer a safe living environment, and have an adequate support system for the student. The Center for Intercultural Engagement adheres to the Standards of Good Practice for Education Abroad put forth by the Forum on Education Abroad.
