

scale, defined as Anatomy and Physiology 1 and 2, and Statistics is preferred.

Applicants are required to submit the following:

1. Statement of professional goals to include (limit to 2 pages):
 - Why you wish to become a Nurse Practitioner, Nurse Educator, or Nurse Administrator/Leader
 - What you plan to do with this degree, including long term goals
 - How you have prepared for success in this program
2. Curriculum Vitae

Students will also be dismissed without opportunity for probation if they:

- Receive an “F” (i.e., any grade below a “C”) in any course
- Receive more than two “C”s in any non-track specific courses.

The program faculty recognize that situations may arise which prevent students from successfully matriculating through the program. Students who are concerned about their academic standing should contact their advisor. If it appears the student may not be able to achieve a minimum passing grade in a course they may be encouraged by the appropriate Program Chair to withdraw from the program. This can potentially prevent the student from acquiring an F on their Union University transcript if the dropped class occurs prior to the deadline listed on the academic calendar (“last day to drop a class”). All students who withdraw or who are academically dismissed from the program can reapply for admission. However, readmission is not guaranteed.

Financial aid information for graduate students is available on our website at www.uu.edu/financialaid. Generally, graduate students may be eligible for Federal Direct student loans or private alternative student loans, depending on the program of study and the eligibility of the borrower. Uth
