OBJECTIVE: To serve Christ through the ministry of Christian higher education as a mathematician, a mathematics educator, a faculty mentor, and an academic leader.

EDUCATION:

Tulane University, New Orleans, LA
Doctor of Philosophy (mathematics), May 1993

MATT D. LUNSFORD

Ideas of Evariste Galois: Recovering Motivation in Abstract Algebra. MAA Mathfest, 2002.

Ideas of Evariste Galois: Recovering Motivation in Abstract Algebra. Southeastern Sectional Meeting of the MAA, 2002, Preliminary Report.

Using History in Undergraduate Mathematics Courses. Project NExT-SE workshop, Southeastern Sectional Meeting of the MAA, 2001.

Undergraduate Research in a Senior Seminar Course and Activities from Abstract Algebra, Project NExT-SE workshop, Southeastern Sectional Meeting of the MAA, 2000.

An Innovative Capstone Course for Mathematics Majors. Southeastern Sectional Meeting of the MAA, 1999.

Using Permutations and Finite Fields in a Conceptual Approach to Abstract Algebra. Southeastern Sectional Meeting of the MAA, 1998.

Indecomposable Modules over Valuation Domains. AMS Session I on Commutative Algebra, Joint Meetings of the AMS-MAA, 1993.

ORGANIZATIONS:

Mathematical Association of America (MAA)
Association of Christians in the Mathematical Sciences (ACMS)
Kappa Mu Epsilon (KME)

HONORS and AWARDS:

Nominated for MAA Southeastern Section, *Distinguished Teaching Award*, 2020
Teaching and Learning Course Redesign Grant, 2010
Pew Summer Research Grant, 2009
Undergraduate Research Program Research Grant, 2007
Pew Summer Research Grant, 2006
Teaching and Learning Course Development Grant, 2004
International/Intercultural Program Development Grant, 2003
Teagle Course Redesign Grant, 2002
Newell Instructional Innovation Award, 2002
Pew Summer Research Grant, 2001
Who's Who Among America's Teachers, 1998, 2000, 2005
Instructional Innovation Award, 1998 Honorable Mention
Project NExT-SE Fellow, MAA Southeastern Section, 1998-99
Board of Regents Fellowship, Tulane University, 1989-1992
Candy Fellowship, University of Nebraska, 1987-1988
Graduated *Summa Cum Laude*, Louisiana Tech University, 1987

SELECTED CONFERENCES:

Christianity in the Academy Conference, Jackson, TN 2023
Association of Christians in the Mathematical Sciences: Azusa, CA 2022
Kappa Mu Epsilon Regional Convention: Florence, AL 2022
Christianity in the Academy Conference, Jackson, TN 2022
Association of Christians in the Mathematical Sciences: Marion, IN 2019
Southeastern Sectional Meeting of the MAA: Clemson, SC 2018
Association of Christians in the Mathematical Sciences: Charleston, SC 2017
Southeastern Sectional Meeting of the MAA: Macon, GA 2017
Southeastern Sectional Meeting of the MAA: Birmingham, AL 2016

!
!

MATT D. LUNSFORD

Southeastern Sectional Meeting of the MAA: Cookeville, TN 2014
Christianity in the Academy Conference, Memphis, TN 2013
Kappa Mu Epsilon Regional Convention: Springfield, MO 2012
ICTCM Conference, Orlando FL 2012
Joint Meetings of the AMS-MAA: New Orleans, LA 2011

INTERESTS:

Commutative Algebra
Classical Galois Theory
History of Mathematics
Integration of Mathematics and Christian faith

SERVICE TO THE PROFESSION:

Referee for the MAA Journal publication *Mathematics Magazine*, 2017, 2018
Reviewer of Online Mathematics Courses for the Saylor Foundation, 2012
Reviewer of *Technically Speaking* DVD
